Items that are not required, but could be helpful:

- some students find it helpful to have one math binder and one other binder. The second binder would hold all other notebooks and folders, but one large binder that holds all of the subjects is fine.
- **soft plastic or non-breakable** water bottle that closes to be kept on the student's desk during school for ---- water only (*using the water fountain is only allowed during breaks*)
- Shelves and other items to organize your locker
