*THE EAGLE*

I pray that God, the source of hope, will fill you completely with joy and peace because you trust in him. Then you will overflow with confident hope through the power of the Holy Spirit. Romans 15:13

**THANK YOU!!!**

A very BIG thank you to all of the staff, volunteers, class basket organizers and friends that helped to make our Fourteenth Annual Treasures of the Heart Auction a success! Your tireless work on acquisitions, database entry and decorating is a blessing to our school. This event could not happen without all of you.

And to our guests - thank you! Your support of our evening through the purchases you made in our Silent and Live Auction, our Class Baskets and our Compelling Need will go a long way in helping us provide a quality Christian education to your children and will allow us to remodel/upgrade our PreK & 1st Grade classrooms for our littlest of students!

## Parents:

All kids entering **7th, 8th and 12th grades** must have the **meningococcal vaccine**.

**Without it, they can't start school.**

### About the Vaccine:

- It's not a new vaccine. It's been recommended for a decade.
- Most parents already choose to vaccinate their children.
- The meningococcal vaccine has been **required** for school entry since Sept. 1, 2016.

### About Meningococcal Disease:

- It causes **bacterial meningitis** and other serious diseases.
- Teens and young adults are at greater risk.
- It comes on quickly and without warning.
- Its symptoms are similar to the flu.
- Every case of this disease can result in death or long-term disability.

**Check with your doctor. Even kids who have had a shot before may need a booster to start school.**
