To Parent(s):

By God’s grace and strength, it is my desire to make this year one of growth and encouragement for you and your child. It is my prayer that together we will see your child challenged to reach his/her potential spiritually and academically. Friendship is an important factor in 2<sup>nd</sup> grade. Take time this summer and this year to help your child renew and deepen friendships by having friends over. So that I may serve your child better, please complete the information sheet. Please return that sheet on the first day of school.

Thank you! Have a blessed summer!  
~Mrs. Parker
