**THIS YEAR’S COMPELLING NEED:
*UPDATING AND REMODELING OUR
PRE-K & 1ST GRADE CLASSROOMS***

Dearest Family and Friends,

Thank you so much for attending our 14th gala Auction event, *Treasures of the Heart*. Over these many years it has been our school’s privilege to serve your family while educating the treasures of your heart, *your children*. Every year during the evening of our Auction, we stop and dedicate a special time to a compelling need for our school. This year we have chosen to remodel two of our elementary classrooms: pre-kindergarten and first grade. These two classrooms are from the original structure and have not been renovated since 1960. We are looking forward to providing a fresh, clean facelift that will enable our young students to have a wonderful learning environment while at LCS.

As faithful partners to LCS, please consider contributing to our Compelling Need, since it is essential to have your financial support in order to accomplish all that we covet for LCS. It is our school’s desire to educate your children for His kingdom while preparing them for the 21st Century. Thank you for helping us reach our goals!

OUR HISTORY

Loudonville Christian School (LCS) is an evangelical Christian school serving children of Christian families in the Capital Region of New York State. These students come from over seventy different churches and thirty school districts. LCS is wholeheartedly committed to academic excellence and effective Christian ministry.

LCS is an auxiliary organization of Loudonville Community Church (LCC), created by virtue of a congregational resolution that outlines the organizational structure for the governance and administration of the school. LCS is also separately incorporated and fully recognized as an educational institution by New York State. The School Board is a policy-making body and has fiduciary responsibility for the operation of LCS. It is accountable to the Elder Board of LCC in limited, specified areas. The Head of School administers the school under the supervision of the School Board.

From modest beginnings in 1955 as a nursery school, LCS has developed into a school with a reputation for excellence. The school expanded to an elementary school in 1960 and initiated the high school in 1995, with its very first graduating class in 1999. In 2010, LCS celebrated fifty years of academic excellence and effective Christian ministry.

OUR MISSION

To cultivate a passion for God's will, a love of learning and joy in serving, fostering creativity, knowledge and character with a global perspective, impacting the world for Christ.

"Whatever you do, do your work heartily, as for the Lord rather than for men."
Colossians 3:23 (NASB)

2016-2017 School Verse:

"I pray that God, the source of hope, will fill you completely with joy and peace because you trust in him. Then you will overflow with confident hope through the power of the Holy Spirit." **Romans 15:13**

SPECIAL THANKS FROM THE LCS SCHOOL FAMILY TO...

Sharon Root: Thank you for being our Emcee this evening. We are grateful you are using your gifts to bless our school!

LeGrande Serras: Thank you for donating your Auctioneering services. Your time and talent is greatly appreciated! Meet our Celebrity Auctioneer LeGrande Serras.

LeGrande Serras is a third-generation restaurant owner who opened Reel Seafood Co. in 1984. His family's humble beginnings instilled in him the importance of giving back, and for four decades LeGrande has worked tirelessly to support Capital Region's thriving arts community and countless human services organizations whose work empowers the disenfranchised.

Employing his special gift for communication- and some shameless prodding- LeGrande has raised \$19 million as an auctioneer at more than 1,300 charity auctions in the Albany Area.

Since selling The Reel Seafood Co. to Faith Takes in 2013, LeGrande has expanded his philanthropic efforts. In addition to his many auctioneering gigs, he speaks to the community and professional groups about the critical role that independent businesses play in building a sustainable community.
